APPENDIX 9 RELATED TO ARTICLE 14
(International Agreement on Breeding, Racing and Wagering)

**RULES ADOPTED BY THE EXECUTIVE COUNCIL
FOR ESTABLISHING
THE INTERNATIONAL LIST OF PROTECTED NAMES
FROM 2006**

The list of Protected Names is updated as follows:

1.- Racehorses:

- a) Automatic addition of the names of the winners of the following **11** most important international races for 3 y.o. and upwards:

South America (2):	- Gran Premio Carlos Pellegrini - Grande Premio Brazil.
Asia (4):	- Melbourne Cup - Dubai World Cup - Hong Kong Cup - Japan Cup
Europe (3):	- Prix de l'Arc de Triomphe - King George VI & Queen Elizabeth Stakes - Irish Champion Stakes.
USA (2):	- Breeders' Cup Classic - Breeders' Cup Turf.

- b) Countries can propose to the IFHA Executive Council for approval, a maximum of **3** additional names per year of racehorses whose form justifies such a protection. Each such request must be supported by the following information:

- | | |
|---|---|
| <ul style="list-style-type: none">- the name of the horse- sex- colour- country of birth- the year of its birth | |
| <ul style="list-style-type: none">- the name of the sire- the name of the dam- the name of the dam's sire |  with the suffix |
| <ul style="list-style-type: none">- Justification for the request- Race record. | |

2. - Breeding stock:

a) Protection is given to:

- Broodmares who have produced at least two Group 1 winners and one other Black Type winner.
- Stallions who have produced at least 15 individual Group 1 winners.

Only those Group 1 races listed under Part I of the International Cataloguing Standards would qualify for consideration.

The Secretariat of the International Stud Book Committee will update this list on a quarterly basis.

b) Countries can propose to the ISBC for approval, a maximum of 3 additional names per year of broodmares and stallions whose record at stud justifies such protection. Each such request must be supported by the following information:

- the name of the horse
- sex
- colour
- country of birth
- the year of its birth
- the name of the sire, with suffix
- the name of the dam, with suffix
- the name of the dam's sire, with suffix
- Justification for the request
- Progeny record
